2025-26 Street & Utility Improvements

Reconstruction work within Langford Ave (Pine St to Mogren Hill) is scheduled to restart the week of April 13th. Work in this area will include the complete replacement of pavement, water piping, and storm sewer. Surfaces will be removed and access will become difficult during this time. Work in the area of 8th St, 5th St, and 2nd St. is mostly complete. Some punch list repairs, turf reestablishment, and another layer of asphalt is needed. Sewer lining is scheduled for the **green areas on the map**. This construction should not cause significant impacts to residents.
